EsLA 2019-20

EsLA is the annual **Education Services Level Agreement** between our family of schools and the Guildford Diocesan Board of Education.

We offer three levels of membership for 2019-20.

- **EsLA CORE - entry level**
 - EsLA Extend
 - EsLA Enhance

EsLA Extend and Enhance offer further entitlements, benefits and discounts.

- **Group EsLA CORE**

Our Group EsLA CORE is one service level agreement designed exclusively to support executive teams and Multi-Academy Trusts.

Our Directors and Lead officers work collaboratively with executive teams and Trusts, in partnership with their headteachers, to deliver Diocesan suites of support and training in a way that is most beneficial in terms of cost, management of resources and time to maximise EsLA subscription entitlements, discount and benefits across the group.

Extend or Enhance Levels can be procured, as appropriated, to meet further requirements. These can be requested by an executive team or Trust after the Group EsLA CORE subscription is agreed for all schools or academies within the group.

Our approach is to co-ordinate services for the Group through one central point, usually the Trust or executive team.

Please contact a member of our Education Team if you are interested and wish to discuss an annual subscription to our Group EsLA CORE.

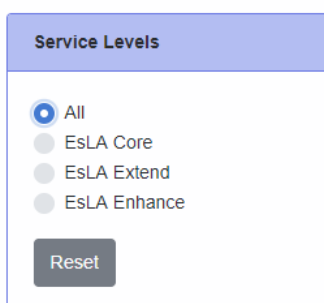

Annual Service Level Subscription rates are based on three factors:

- There is a cost to the Diocese of supporting your school or Academy Trust however small it may be.
- To reflect this, a rate has been calculated for the first 150 children in any given school, academy or Multi Academy Trust. The rate is £350 for any school or Academy Trust who wishes to subscribe to our EsLA CORE 2019-20
- The Bands (NOR) reflect the cost of supporting larger schools and MATs and are worked out on the basis of a cost per pupil over and above the calculated rate for the first 150 children. The per pupil rate 2019–2020 is £1.25 per pupil.

Each Spring we send you an automatic reminder for a new subscription or renewal at the service level subscribed to the year proceeding with the option to continue your subscription, change or upgrade on line using our schools portal <https://gdbeonline.org>
